

Corporate Governance Statement

The Board of Directors of FarmaForce Limited (**FarmaForce**) is responsible for the corporate governance of FarmaForce. The Board guides and monitors the business of FarmaForce on behalf of its shareholders.

FarmaForce and its Board of Directors (**Board**) continue to be fully committed to achieving and demonstrating the highest standards of accountability and transparency in their reporting and see the continued development of FarmaForce's corporate governance policies and practices as fundamental to its successful growth.

The Board has included in its corporate governance policies those matters contained in the Australian Securities Exchange Corporate Governance Council's Corporate Governance Principles and Recommendations 3rd Edition (**ASX Recommendations**) where applicable. However, the Board also recognises that full adoption of the ASX Recommendations may not be practical or provide the optimal result given the particular circumstances of FarmaForce.

This corporate governance statement is effective as at [20 September 2018]. It has been approved by the Board and outlines FarmaForce's corporate governance policies and practices that it has adopted.
